Meditation Stone Application

Meditation Stones are red granite stones inscribed with the names of persons whom we wish to recognize and honor with a profound and lasting tribute. Meditation Stone donors are also encouraged to submit information to the Registry books, which are maintained at The Highground Timberframe Information and Gift Shop. These books hold individual histories about each of those for whom the stones have been placed. Histories contain photos, letters, stories, news clippings and thoughts about the honoree. They can be one page or 30 pages long.

Meditation Stones should provide messages of reflection and thought. As with Legacy Stones, the honoree may be a veteran or non-veteran. Living or not, an individual or an organization.

These Stones will become the floor of the Meditation Shelter, and are therefore limited in number. Only one placement will be performed each year until the floor is complete. Wording on the stone is limited to 20 spaces on each of 3 lines. Please refrain from using birth/death dates and phrases such as "in memory of" on the stones. Only letters and numbers are used, no punctuation or special characters.

Meditation Stones are available for a tax-deductible donation of $500.
2010 Placement Date: Saturday September 11, 2010 at 9:30 a.m.
